Council Report

October 4, 2013

Trails Access Information signs were installed on several of the new trailhead signs along West Lafayette's part of the Wabash Heritage Trail. The signs, the first ones installed in Indiana, provide accessibility information to help everyone safely enjoy the trail. The signs were installed as part of the City's overall effort to make facilities meet the regulations and guidelines for the Americans with Disabilities Act.

"Pop into Morton," an open house providing a sampling of the Community Center's recreational and educational offerings was held September 5th. Many people attended and enrolled in fall classes (while enjoying demonstrations, a youth art project, and popcorn).

Art on the Wabash, the local artists' fair in Tapawingo Park, was enjoyed by hundreds of people on September 15th.

Thanks to the Sycamore Audubon Society for funding stocking of 1,200 minnows in Celery Bog. The minnows will help replenish the food supply (that had been diminished by last year's drought) for migrating birds.

Thanks to the young men of Phi Gamma Delta for painting Shelter #3 in Happy Hollow Park.

Thanks to Tree Fund members for their continuing street tree pruning efforts.

The Sagamore West Farmers Market is open every Wednesday in Cumberland Park, 3-6:30 pm.

The next Park Board meeting will be October 21st at 4:30 PM in Riverside Skating Center.
